

Software Applications and Operating Systems

Operating Systems	1194.21, 1194.41	-
Application Software	1194.21, 1194.41	If product comes with a video, then 1194.24 applies.
Installation programs	1194.21, 1194.41	-
Software Tools	1194.21, 1194.22, 1194.41	The tool and more importantly the output of the tool for Section 508 compliance is evaluated. The tool must be capable of producing Section 508 compliant output.
Computer Based Training	1194.21, 1194.22, 1194.24, 1194.31, 1194.41	If the product is web based, then 1194.22 applies. If multimedia is included, then 1194.24 applies.

Web-based internet information and applications

Web Applications	1194.21, 1194.22, 1194.41	Web based applications incorporate both software and web requirements.
Web Help / Documentation	1194.21, 1194.22, 1194.41	Documentation and Help utilities can be interactive in nature requiring software requirements.

Telecommunications Products

Telephones	1194.23, 1194.41	VoIP could entail software, 1194.21 or 1194.22
Modems	1194.21 or 1194.22, 1194.23, 1194.41	1194.21 or 1194.22 will apply if models use additional software.
Blackberry	1194.21, 1194.22, 1194.23, 1194.31, 1194.41	-
Cell Phones	1194.21, 1194.22, 1194.23, 1194.31, 1194.41	-
PDA	1194.21, 1194.22, 1194.23, 1194.31, 1194.41	-
Pager	1194.23, 1194.31	Note: Review the requirement. Fundamental alteration may apply.
Answering Service	1194.23, 1194.41	-

Video and Multimedia Products

Compact Disk	1194.24, 1194.41	Dependent upon user interface/data
DVD	1194.24, 1194.41	Dependent upon user interface/data
Video Tape	1194.24, 1194.41	Dependent upon user interface/data
Video Cards	1194.24, 1194.41	If the product comes with software, then 1194.21 applies.
TV Displays and Tuners	1194.24, 1194.41	-

Self-Contained, Closed Products

Printers	1194.25, 1194.41	Printer drivers are most always included (1194.21) and management over network software can be included which could be 1194.21 or 1194.22.
Copiers	1194.25, 1194.41	Network enabled copiers can have a user interface – 1194.21 or 1194.22
Kiosks	1194.25, 1194.31, 1194.41	-
Fax Machines	1194.23, 1194.25, 1194.41	Fax machines can be network enabled or part of all-in-one machines supporting software – 1194.21 or 1194.22
Digital Camera	1194.21, 1194.25, 1194.31, 1194.41	Digital cameras can be connected to computers which would entail a user interface to download and other software for editing – 1194.21
Scanner	1194.25, 1194.41	If it include software and possibly drivers then add 1194.21
Overhead Projector	1194.25, 1194.41	-
Camcorder	1194.25, 1194.41	-
Any items with digital display (e.g., printer, scanner copier, FAX, etc...)	1194.21, 1194.22, 1194.31, 1194.41	Digital displays that exhibit information must have a comparable equivalent for visually disabled users.

Desktop and Portable Computers

Computer/Laptop	1194.26, 1194.41	-
Mouse	1194.21, 1194.26, 1194.41	If the product comes with software, then 1194.21 applies.
Compact Disk (CD) Player/Recorder	1194.21, 1194.25, 1194.41	If the product comes with software, then 1194.21 applies. If the product is a standalone, then 1194.25 applies.
Floppy Disk	1194.21, 1194.22	Dependent upon user interface/data
Optical Disk	1194.21, 1194.22	Dependent upon user interface/data
Digital Video Disk (DVD) Player/Recorder	1194.24, 1194.41	If the product comes with software, then 1194.21 applies. If the product is a standalone, then 1194.25.
Keyboard	1194.26, 1194.41	Software may be associated with smart cards. Biometric controls would be associated with this.
Monitor	1194.26, 1194.41	If the product supports TV, DVD or broadcast, then 1194.24 applies.
Speakers	1194.24, 1194.25	SSA requires headphone jacks in the front for accessibility
Central Processing Unit (CPU)	N/A	No user interface
Modems	1194.21, 1194.41	If the product supports voice i.e. telephone, then 1194.23 applies. Software is generally associated with modems and so 1194.21 would apply.
Memory (ROMS, RAM, EPROMS)	N/A	No user interface
Video Cards	1194.24, 1194.41	If the product comes with software, then 1194.21 applies. Video cards always have associated drivers
Hardware Drives	1194.21, 1194.41	If the product comes with software, then 1194.21 applies.
Flash Drives	1194.21, 1194.41	If the product comes with software, then 1194.21 applies. Product may not come with software but is associated with the OS and will create a user response.

Information, documentation and support

EIT Services (e.g., Web Developers, Consultants, Technical Experts, etc...)	All	Support personnel should be knowledgeable about all aspects of the 508 standards.
Help Desk	All	Support personnel should be knowledgeable about all aspects of the 508 standards.
