Name: _____ Student ID # _____
Semester started at CSUMB _____
Current CSUMB GPA _____ Units earned at CSUMB _____
Name of Student Success Advisor with whom you met _____

Part A: Please describe the events or challenges that led to you not doing well in one or more previous semesters. Include details and dates or timelines. Be sure to mention how those challenges interfered with your ability to succeed in your courses. (You may upload documentation into Canvas).

Part B: What steps did you take last semester while you were on academic probation to get support to succeed in your classes in spring 2022? Please describe your participation in support programs such as tutoring/CLC, Personal Growth and Counseling Center (PGCC), peer mentor programs, or regular meeting with a student success advisor. When did you start participating, and how often did you seek support?

Part C: If your appeal to be reinstated for fall semester is approved, what strategies and resources will you use to overcome the challenges you described above? Your Success Advisor will help you develop a success plan. Keep in mind that you will be expected to earn a fall semester GPA of 2.5 or above, and to raise your cumulative CSUMB GPA above 2.0 by the end of Spring semester.
