

Monterey Bay World Language Project 17-18

Seminars for World Language Teachers

Program 1

Five Saturdays: September 30, October 28, December 2, 2017 and February 24, April 14, 2018

9 am to 4 pm

In today's rapidly-changing world, the need for interpersonal communication is greater than ever. How can today's world language teachers effectively address modern challenges? Join us to increase your knowledge of high-leverage teaching practices that maximize students' performance and global competency.

\$250 per participant; 2 teachers from same school: \$200; First year teacher: \$125; teacher accompanied by student teacher: \$125; student teacher: \$50.

(Registration Deadline is Sept 16) Register Online link: goo.gl/wwN1NZ

Program 2: Winter Session

Standards-Aligned Instruction Using Technology

Two Saturdays: January 20 & 27, 2018

9 am to 4 pm

The use of technology is a 21st Century Skill embedded in all the Common Core and World Language Content Standards. Your students can become more proficient in the target language by using computer-based and web tools. In this 2-day workshop, you will be able to create engaging lessons for appropriate learning stages, maximizing your teacher effectiveness. These two days will also include interaction with

other teachers resulting in a fruitful exchange of ideas. Nationally recognized local teacher [Yo Azama](#) will be your guide as you explore technology and how it can be your ally.

\$120 per participant; teachers from the same school: \$100 each; first year teacher: \$70; teacher accompanied by student teacher: \$70;

Student teacher: \$60

Parking permit and lunch included! [View campus parking.](#)

Program 3: Summer Session

Assessment in the Three Modes of Communication in the 21st Century Classroom

Dates: June 13-14, 2018

9 am to 4 pm

The purpose of this two-day technology workshop is to support the integration of multimedia resources in the language-learning classroom. The focus will be to provide different technology platforms to assess the three modes of communication in the acquisition of the target language and culture. Participants will leave the workshop with the ability to integrate technology to assess their students' learning through hands-on experiences and cooperative learning.

Registration: \$120 per participant, \$100 each for teachers from the same school; \$60 for first year teachers or Interns; \$40 for Student teachers

Parking permit and lunch included!
