

# 2023-24 STEM and Social Science NextGen Fellowships For CSU COAST Graduate Students

*Do you want to learn advanced scientific skills to solve environmental problems?  
How will aquaculture, plastics, climate change, or pesticide use affect your community?*

## NextGen Fellows get:

- ✓ *A one-year \$25,000 fellowship*
- ✓ *Hands-on research experience in agriculture or natural resources*
- ✓ *Dedicated mentorship and advising*
- ✓ *One-to-one training from CSU faculty mentors and professionals*
- ✓ *Skill building and professional development*
