iTCD School of Information Technology and Communications Design

CAPSTONE AND E-PORTFOLIO
RELEASE FORM FOR USE OF STUDENT WORK SAMPLES

School of Information Technology and Communications Design at CSUMB is currently collecting samples of student work – work that demonstrates the outcomes and criteria of the Major Learning Outcomes. Faculty groups will analyze the work as part of a process of studying the MLO's and related assessment processes.

You are asked to sign the release form below to indicate your permission for use of your work in your portfolio for education, research, recruitment and fund-raising purposes. If you chose not to permit use of your work, you are also asked to sign the form below.
