TRANSFER PATHWAY

CAL STATE MONTEREY BAY & HELP UNIVERSITY

California State University, Monterey Bay is proud to partner with HELP University to

prepare the leaders of tomorrow by providing a unique educational experience in Malaysia and Monterey Bay. Students pursuing this pathway program can easily transfer to California State University, Monterey Bay to earn a Bachelor's degree in the field of their choosing.

EXTRAORDINARY OPPORTUNITY

California State University, Monterey Bay (CSUMB) provides an extraordinary opportunity for international students to experience life in America's #1 study abroad destination – California.

CSUMB students enjoy small classes, enthusiastic professors, and a diverse student body from all over the world. As a university committed to multiculturalism and equal opportunity, CSUMB offers reasonable admission requirements at an attractive tuition compared with other U.S. universities. Plus, as part of the California State University, the largest four-year public university system in the U.S., CSUMB is backed by tremendous academic resources while maintaining a flexible, intimate, small-school feel.

International students who choose CSUMB enjoy the benefits of a vibrant residential community. With more than 5.2 km², the campus has everything you'd expect from a great university: a state-of-the-art library, brand new dorms and academic buildings, dining halls to accommodate all lifestyles, robust sports and aquatic facilities, and a buzzing student center.

ON-CAMPUS HOUSING

For students who apply by the posted priority dates, on-campus housing is guaranteed. More than half of all CSUMB students live on campus, providing an extraordinary opportunity to make new friends and experience American culture.

ABOUT MONTEREY BAY

Monterey Bay is a mid-size, friendly area with breathtaking vistas. The white sand beaches are perfect for relaxation and recreation, while premier golf courses dazzle even seasoned pros. With a superb aquarium and Monterey's world-leading conservation initiatives, marine wildlife can be seen during any given stroll along the coast. The campus is located in the center of the California shoreline, providing students unparalleled access to the state's greatest destinations, which some consider to be the best in the country.
