

Marine Science Illustration

Summer 2023

Instructor: Amadeo Bachar

Email: ono@abachar.com

Optional items are denoted with an asterisk*

- Pencils: H, F, HB
- Kneaded eraser
- Hard eraser
- Tracing paper: Canson rolls or pamphlet
- Transfer paper: A little goes a long way, so you may want to wait for the first class to buddy up and share a sheet with others
- Painter's tape or Artist tape
- Watercolor paper: Fabriano or Arches 140 or 300lb hot press or other watercolor paper you are familiar with. Hot press watercolor block is fine.
- Brushes that I could not live without: Sable/Sable blend;(size/shape) 8 round, 4 round, 2 round, 4 flat, 1 inch Hake, old beat up (cheap) synthetic 6 and 4 round for mixing color and misc. uses.
- Watercolor pigments: entry level watercolor set or a grouping of the following colors - Lemon yellow, Van Dyke Brown, Cobalt Blue, Burnt Sienna, Yellow ochre, Phthalo blue, Permanent Red, Quinacridone gold, Permanent white (Winsor Newton gouache).
- *Great colors all things marine: Cobalt turquoise, Emerald
- Watercolor palette if you are using colors from tube
- Container for water
- Paper towels (Viva is best)
- Pencil sharpener
- *Blow dryer
- *Exacto knife
- *Liquid frisket

First Day Supplies: Please have pencils, tracing paper, and hard erasure. You can also bring in supplies that you may already have and have questions about whether they will be sufficient for this class. I will go over the rest of the supply list on the first day of class as there is some flexibility.
