## **ATTENDANT CARE RESOURCES and California State University Monterey Bay**

**CSUMB encourages students who need attendant care in their housing and/or academic settings to plan and take appropriate action several months in advance.**

Please contact CSUMB's office for Student Disability Resources to clarify procedures for allowing personal attendants in the classroom or campus housing, and reasonable accommodations provided by CSUMB such as a classroom lab assistant and/or Notetaker or Scribe in contrast to personal care attendant. Students are responsible for providing their own personal aids and services, including help in bathing, dressing, toileting, etc.

### **In-Home Supportive Services (IHSS) in Monterey County**

The Monterey County Department of Social Services may be able to assist students with disabilities through a state-wide program. Students on SSI may expedite eligibility.

The In-home Supportive Services program assists low-income elderly and disabled adults and children to remain safely in their own homes. The program pays the wages for a helper (provider) to come into the home to do housekeeping, laundry and personal care, shopping for groceries and other essentials, meal preparation and clean up and medical transportation. IHSS staff work closely with the staff of the Public Authority for In-Home Supportive Services to assist clients to find a provider.

**For more information call the Adult Services Office:** Phone: 831/883-7565  
<http://mcdss.co.monterey.ca.us/aging/>

Hours of operation: 8:00 A.M. to 5:00 P.M., Monday through Friday
