

2019-2020 Title IX Annual Report

California State University
MONTEREY BAY
Office of Title IX Administration & DHR

CSUMB is committed to efforts for preventing and responding to occurrences of sexual misconduct. The term “sexual misconduct” encompasses the terms of “dating violence,” “domestic violence,” and “stalking” as defined in CSU Executive Orders 1096 and 1097. Our campus places a high value on reporting these violations to the Title IX office so as to ensure our ability to act in a prompt and fair manner to all such concerns. Our students are trained annually on these issues in order to raise awareness for both prevention efforts and reporting options/support services available. Our employees are likewise trained annually in these matters, as well as their obligations as designated reporters to alert the Title IX office when reports are made. The campus utilizes an Employee Guidance page to provide quick reference reminders and information about reporting obligations, and its Resource Sheet that outlines the various options individuals have for seeking confidential and self-care services, and reporting to Title IX and/or Law Enforcement.

With this annual report demonstrating substantive numbers for reporting in each sexual violence category, we applaud our campus for creating a climate and culture of reporting and response to these serious issues.
