Sherry Baggett, Corporation Controller		
Starr Lee, Corporation Associate E	xecutive Director	

Regular Meeting

- **I. Call to Order:** A quorum being established, President Eduardo Ochoa called the meeting to order at 8:33 a.m.
- **II. Approval of Minutes:** Moved by Director David Ledesma and seconded to approve the July 6, 2021, meeting minutes as presented. With no further discussion, the motion carried.
- **III.** Public Comment None

IV. Business

A. Corporation Loan to OSU: Associate Executive Director Starr Lee announced that since the distribution of board materials last week, the proposal of this agenda item has changed. The new proposal is that the loan to the Otter Student Union remains with the University and in its books. The Corporation will gift the annual interest payment to the University on behalf of the OSU and pay the \$420K of interest which has already been accrued. The Chancellor's Office requires that the University charge an interest fee for the loan because state entities are not allowed to gift public funds. The amended proposal is beneficial because the Corporation does not have to withdraw the originally proposed \$9.4M from its interest-earning portfolio and deposit it into a non-interest earning account. The investment can continue to accumulate interest and generate revenue to the Corporation. The amended motion is the Corporation will pay the interest already incurred of \$420K and will subsidize the interest costs of up to \$420K for the next three years to begin after the initial payment of retroactive accrued interest has been made. Moved and seconded to approve the motion as amended, the board unanimously approved the motion. Director Robert Taylor asked if the advancement of funds from the University to the OSU had been documented. VP of Administration and Finance Glenn Nelson stated an MOU was executed outlining the details regarding the construction loan. Furthermore, University will be disclosing the loan in future financial statements. With no further discussion, the motion carried.

In a separate discussion Director Taylor requested that staff provide an extensive analysis of the Corporation's support to the University in hopes of standardizing the annual amount gifted to the University to be used at the discretion of the President and Provost. This will be an agenda item at a future meeting.

- B. College of Business Faculty Funding: President Ochoa echoed the comments made by Director Taylor and noted that the Board does not need to be involved in the details of managing funds provided to the University as support. Since staff will return with the analysis discussed previously at a future meeting, the motion was withdrawn. The current university support provided by the Corporation can cover this cost. An additional \$200K in university support will be requested at a future meeting.
- C. Post-Retirement Housing Policy Amendment: Ms. Lee presented the amendment to the policy which would allow qualified retirees to remain in faculty-staff housing for up to three years post-retirement. The three-year period matches the period of time that an employee owning a faculty-staff CEHI home can continue to own and stay in the CEHI home after retirement. There are four persons who have already retired and are still living in faculty-staff housing. This policy amendment will allow them to remain in Schoonover Park I for three years from now, through September 30, 2024, as retirees. Ms. Lee noted that the cover page of this agenda item erroneously states until September 30, 2034. Currently, the policy does not have a cap on the time retirees can stay. Mr. Samuels noted that the four retirees living on campus made life-long decisions contingent on the current policy. Mr. Samuels requested the Board consider the treatment of these four retirees and welcomes an amendment to the threeyear cap for these individuals. A motion was made and seconded to discuss and possibly amend to grandfather the four current retirees. The Board extensively discussed different timeframes for the four current retirees to remain in faculty-staff housing. The friendly amendment is that the four current retirees will be eligible to remain in the Schoonover Park I housing with continuous residency. After September 30, 2022, the current retirees' rental rate would change from the CSUMB rental rate to the Educational Partners' rental rate. Going forward, all qualified residents under the amended policy will be eligible for the CSUMB rental rates, including any normally applied rent increases, for the first 12 months following retirement, and then the rates will be increased to the then-current Education Partner rental rate. Moved by Director Taylor and seconded to approve the policy amendment and friendly amendment regarding the four current retirees. With no further discussion, the motion carried.

V. Reports

- A. <u>Board Fiduciary Responsibility</u>: Ms. Lee briefed the Board members on their fiduciary responsibility as Board members and an overview of the operations of the Corporation.
- B. <u>Auxiliary Audit Committee Report</u>: Auxiliary Audit Committee Chair Debbie Martin reported the Committee met twice since the last Board meeting. On September 20, the Committee reviewed the Auxiliaries' 2020/21 Audit Reports and the Single Audit Report on Federal Awards. The auditors issued clean opinions. The Committee will meet in November to review the auxiliaries' Form 990s and the KAZU Audit Report. The Corporation for Public Broadcasting requires the KAZU Audit Report.
 - 2020/21 Audited Financial Statements: Corporation Controller Sherry Baggett reviewed the 2020/21 Audited Financial Report, highlighting areas of interest for the Board. Moved by Director Taylor and seconded to accept the Auxiliary Audit Committee's approval of the 2020/21 Audited Financial Reports. With no further discussion, the motion carried.
- C. 4th Quarter 20/21 Financial Report: Ms. Baggett reviewed the 4th quarter 2020/21 financial statements, highlighting areas of interest for the Board.

In the interest of time, President Ochoa dispensed the remaining reports with the exception of the Executive Director's Report.

- D. External Funding Update Sponsored Programs: The Board meeting ended before this report was heard. The Board received a physical report in the board packet.
- E. Corporate and Foundation Relations University Development: The Board meeting ended before this report was heard. The Board received a physical report in the board packet.
- F. Investment Committee Report: The Board meeting ended before this report was heard. The Board received a physical report in the board packet.
- G. Executive Director's Report: Executive Director Larry Samuels reported on the Corporation's activities. Mr. Samuels' goal is to get a better understanding of the Corporation's expenses, and review and update rental rates at East Campus.
- VI. Closed Session: None

Katherine Kantardjief, Secretary/Treasurer

- VII. **Open Communication/Announcements:** The next Board meeting is on December 2, 2021.
- VIII. Adjournment: With no further business to conduct and no objection, the meeting was adjourned at 10:39 a.m.

TO: Board of Directors **DATE:** November 23, 2021

FROM: Cindy Lopez, Director of Sponsored **REF:** Board Meeting #2

Programs Office December 2, 2021

SUBJECT: Resolution: Outdoor Equity Grants

RECOMMENDATION

APPROVE THE OUTDOOR EQUITY GRANTS PROGRAM RESOLUTION

BACKGROUND

PI Laura Lee Lienk would like to apply for the Outdoor Equity Grants Program, "OEP" to increase the ability of residents in underserved communities, with an emphasis on students eligible for free or reduced-price meals, foster youth, and students of limited English proficiency, to participate in outdoor experiences at state parks and other public lands. OEP's focus is on providing funding for transportation, logistics, program operations, and capacity costs associated with reaching historically underserved urban and rural communities throughout California.

OEP grants will improve the health and wellness of Californians through new educational and recreational activities, service learning, career pathways, and leadership opportunities that strengthen a connection to the natural world.

In order to apply for these grant funds the Corporation must approve a resolution that serves two purposes:

- 1. The Corporation is aware of all the terms of the contract. It provides confirmation that the applicant has the funding to complete the proposed outdoor program if the grant is awarded.
- 2. Designates a position title to represent the Corporation on all matters regarding the application and outdoor program. The incumbent in this position is referred to as the authorized representative, Cindy Lopez, Director of Sponsored Programs Office.

At the December 2, 2021 board meeting the Board will be asked to vote on the resolution. Corporation staff recommends approving the proposed resolution.

UNIVERSITY CORPORATION AT MONTEREY BAY

Page 1 of 3

Resolution of the Board of Directors of the University Corporation at Monterey Bay

Approving the Application for OUTDOOR EQUITY GRANTS PROGRAM

Whereas, The University Corporation at Monterey Bay (the "Corporation") has been formed for the purpose of furthering the educational programs of California State University, Monterey Bay (the "University") as more fully described in the Articles of Incorporation of the Corporation (the "Articles");

Whereas, The Corporation is an auxiliary organization of The California State University governed by California Education Code §89900 et seq. and the administrative regulations of The California State University as set forth in Title 5 of the California Code of Regulations;

Whereas, the State Department of Parks and Recreation has been delegated the responsibility by the Legislature of the State of California for the administration of theOutdoor Equity Grants Program, setting up necessary procedures governing the application; and

Whereas, said procedures established by the State Department of Parks and Recreation require the Applicant to certify by resolution the approval of the application before submission of said application to the State; and

Whereas, successful Applicants will enter into a contract with the State of California to complete the Grant Scope program;

NOW, THEREFORE, BE IT RESOLVED that the University Corporation at Monterey Bay hereby:

Approves the filing of an application for the Comunidad de Salinas juntos por una naturaleza saludable y equitativa! (Salinas together for a healthy and equitable environment!) AND

Salinas Together for Healthy, Equitable Environments

- 1. Certifies that said Applicant has or will have available, prior to commencement of any work on the program(s) included in this application, the sufficient funds to complete the program(s); and
- 2. Certifies that if the grant is awarded, the Applicant has or will have sufficient funds to operate the program(s) as described in the Grant Selection Criterion response, and
- 3. Certifies that the Applicant has reviewed, understands, and agrees to the General

Resolution: Outdoor Equity Grants Program

- Provisions contained in the contract shown in the Grant Administration Guide; and
- 4. Delegates the authority to the Sponsored Programs Director or their designee to conduct all negotiations, sign and submit all documents, including, but not limited to applications, agreements, amendments, and payment requests, which may be necessary for the completion of the Grant Scope; and
- 5. Agrees to comply with all applicable federal, state and local laws, ordinances, rules, regulations and guidelines.
- 6. Will consider promoting inclusion per Public Resources Code §80001(b)(8 A-G).

Resolved, That this Resolution shall take effect immediately upon its adoption.

ADOPTED A	AND PASSED this 2 nd	day of December 2021 by the	e following vote:

Resolution: Outdoor Equity Grants Program

TO: Board of Directors **DATE:** November 23, 2021

FROM: Cindy Lopez, Director of Sponsored **REF:** Board Meeting #2

Programs Office December 2, 2021

SUBJECT: Resolution: California Coastal Commission

RECOMMENDATION

APPROVE THE CALIFORNIA COASTAL COMMISSION RESOLUTION

BACKGROUND

The University Corporation at Monterey Bay applied for funds from the California Coastal Commission on behalf of the Return of the Natives Program. This proposal with the PI of Laura Lee Lienk in the College of Science is a pilot of a 6th grade Eco-Ambassador Program for 14 classrooms, 420 6th grade students from Monterey Peninsula School District, and will pay for teacher support and development, two field trips to the beach for each classroom, and seven school gardens. It would also employ CSUMB student assistants and excellent placements for service-learning students.

The resolution authorizes the proposal for grant funding from the California Coastal Commission for this project. It also designates Cynthia E. Lopez, Director of Sponsored Programs Office as the Corporation's authorized representative. It permits Ms. Lopez to enter into a contract with the Commission if the grant is awarded.

At the December 2, 2021 board meeting the Board will be asked to vote on the resolution. Corporation staff recommends approving the proposed resolution.

Resolution of the Board of Directors of the University Corporation at Monterey Bay

Approving the Application for Funds from CALIFORNIA COASTAL COMMISSION

Whereas, The University Corporation at Monterey Bay (the "Corporation") has been formed for the purpose of furthering the educational programs of California State University, Monterey Bay (the "University") as more fully described in the Articles of Incorporation of the Corporation (the "Articles");

Whereas, The Corporation is an auxiliary organization of The California State University governed by California Education Code §89900 et seq. and the administrative regulations of The California State University as set forth in Title 5 of the California Code of Regulations;

Whereas, the California Coastal Commission (the Commission) awards grants for projects that it determines are consistent with the Commission's objective of protecting and enhancing California's coast and ocean for present and future generations;

Whereas, the Commission requires the governing body of the grantee certify through a resolution that it approves the application for Commission grant funding and authorizes the execution by a representative of the grantee of a grant agreement on terms and conditions required by the Commission; and

Whereas, the Corporation is the recipient of the funds on behalf of the Return of the Natives Program.

Resolved, That the Corporation authorizes the proposal for grant funding from the California Coastal Commission for this project.

Resolved, That the Corporation designates the Director of the Sponsored Programs Office Cynthia E. Lopez, or designee, as the Corporation's authorized representative and authorizes said representative to enter into an agreement with the Commission if the grant is awarded.

enter into an agreer	ment with the Comn	nission if the grant is awarded.				
Resolved, That this Resolution shall take effect immediately upon its adoption.

Dated: December 2, 2021

Resolution: California Coastal Commission

University Corporation at Monterey Bay 1st Quarter ending September 30, 2021

Financial Highlights

- *Total Net Position* increased \$4M during the first quarter due primarily to the return of students to campus for the Fall semester generating housing and commercial services revenues again.
- *Grants and contracts revenues* continued to hold steady and stay comparable to last year at \$3.4M versus \$3.6M. The revenues are recorded as the expenditures occur.
- *Operating revenues* increased \$11M this quarter compared to last year due to the increased student housing revenues as mentioned above.

Statement of Net Position Discussion & Analysis

- Cash and cash equivalents increased \$3.1M this quarter due to the return of the fall semester's housing and commercial services revenues.
- Accounts receivable, Property manager and University increased \$2.2M and \$7.6M respectively due mostly to monies collected from students for housing and dining to be remitted to the Corporation as well as funds flowing through the campus from the Chancellor's Office for the capital improvement projects happening in the housing facilities.
- *Prepaid expenses and other assets* increased \$1.4M due to the annual payments made for property and liability insurance as well as KAZU's NPR broadcasting fees.
- *Unearned revenue, Other* increased \$4.6M due to payment received from Chartwells for improvements to the dining venues, to be amortized over the 10-year lease.
- *Other liabilities* increased \$3.5M due primarily to the receipt of meal plan monies which are owed to Chartwells.
- *Notes payable, net of current portion* increased \$3.7M due to the additional debt taken on for the capital improvement projects, mostly related to housing buildings.
- The *Net investment in capital assets Net Position* decreased \$4.2M due to the additional debt and decrease in capital assets resulting from depreciation expense.
- *Unrestricted Net Position* increased \$8.1M due mostly to the return of almost normal fall semester housing and commercial services operations and revenues.
- Total Net Position of \$72.7M is derived from Total Assets of \$217.7M and Deferred outflows of resources of \$1.3M, minus Total Liabilities of \$146.3M. The Unrestricted Net Position portion of \$63.7M represents the portion that can be used to finance day-to-day operations. The Restricted Net Position represents the portion subject to externally imposed restrictions, such as donors and sponsors. The Net investment in capital assets portion represents capital assets, net of accumulated depreciation and amortization, and less the outstanding principal balances of related debt. The Corporation uses these capital assets in its day-to-day operations.

Statement of Revenues, Expenses and Changes in Net Position Discussion & Analysis

- *Housing Revenues* are \$2M ahead of budget due to timing as the budget is spread over the academic year but the revenue collections are heaviest in the first and third quarters.
- Salaries and benefits expenses are below budget by \$516k due to vacant positions remaining unfilled.
- *Utilities expense* is below budget due mostly to timing as the student occupancy is lightest in the first quarter until students move in.
- Professional services, Concessions, and Insurance expenses are below budget in the first quarter due to timing of receiving these invoices in the second quarter.
- Repairs and Maintenance is significantly higher than both prior year and budget due to State Fire Marshall mandated repairs at the Promontory for the mechanical room and other interior areas as well as renovations and improvements in all of the housing buildings related to the funding provided by the Chancellor's Office.
